

Aluminum design.
Amazingly light.

weighs in at just 133g

Slim,
lightweight and highly portable

Apple Solutions | StoreJet® 200 for Mac

A touch of opulence at the tips of your fingers. Housed in an aluminum alloy casing, Transcend's lightweight, portable StoreJet 200 for Mac is more than an external hard drive—it's a fashion statement. Specifically designed for use with your Mac, the StoreJet 200 features not only the USB 3.1 Gen 1 interface and USB Type-C connector for unmatched transfer rates, but also a pre-formatted HFS+ file system allowing use right out of the box.

USB Type-C port

High capacity of up to 2TB

- A fashion statement housed in an aluminum casing
- Crafted with aluminum anodizing and CNC milling technology
- Utilize the USB 3.1 Gen 1 interface
- Include a USB Type-C cable and a USB Type-C to Type-A cable
- Pre-formatted with HFS+ file system and supports Time Machine®
- Free download of Transcend Elite software
