

*SSD not included.

2.5" SSD/HDD Enclosure StoreJet® 25S3

Upgrading desktop or notebook can be easy only with the right tools! Transcend's 2.5" SSD Installation Kit has them all packed up in one kit for a quick system upgrade, including data migration via Transcend's SSD Scope software, and physical installation of a new SSD. Follow the step-by-step installation guide to find useful tips and assembly instructions.

Reuse your old drive

What do you do with the old hard drive removed from your laptop? Don't throw it away, reuse it! This sturdy aluminum case is ready to house your old SSD/HDD for use as a new external drive.

UASP supported

With the support of UASP (USB Attached SCSI Protocol), Transcend's 2.5" SSD/HDD Enclosure can boost transfer speeds faster than the traditional USB 3.1 Gen 1 interface when used with a UASP-enabled host computer.

One touch easy backup

Transcend's 2.5" SSD/HDD Enclosure features a one-touch backup function enabling the express synchronization of files and folders by just one touch. Download the Transcend Elite software from our website to manage your data in a more organized way! Note: Transcend Elite software is required to use this feature.

Portable Hard Drives

StoreJet[®] 25S3

Features

- USB 3.1 Gen 1 interface with the support of UASP
- SATA III 6Gb/s adapter interface
- Lightweight and compact for ultra-portability
